

The HANDLE® Institute

Enhancing human capability through a **H**olistic Approach to **N**euro**D**evelopment and **L**earning **E**fficiency

If you are concerned about:

Sensory challenges

Language delays

Difficulty focusing attention

Obsessions/compulsions

Perplexing behaviors

Learning differences

The HANDLE Approach to Autism & Other Neurodevelopmental Challenges

will give insight into what causes these challenges, and how HANDLE can help.

HANDLE is a non-drug, gentle alternative that works, for all ages!

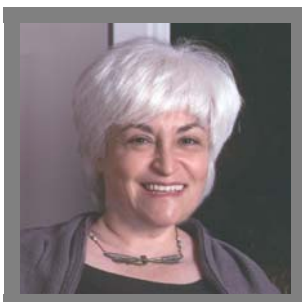

Judith Bluestone,
presenter
Wednesday, Sept. 24, 2008
6-8 pm

Gilmore Park United Church
8060 No. 1 Road (at Blundell Rd.)

Judith Bluestone, author of *The Fabric of Autism: Weaving the Threads into a Cogent Theory*, is the Educational and Clinical Director of the HANDLE® Institute International, LLC, based in Seattle, Washington. Her work was honored in 2004 in the USA when she won the Jacqueline Kennedy Onassis award for public service for creating and sharing HANDLE (Holistic Approach to NeuroDevelopment and Learning Efficiency.)

Please join us in welcoming Judith to British Columbia.

“Your book has changed the way I see and hear other people and my patients. And, oh, do I hear new things! Thank you for that gift, this medically brilliant and humanly profound guide into the soul of the ‘extraordinary’ people.” --Raida Shor, M.D., Holistic Pediatrician
