Sandy Springs Library  
395 Mt. Vernon Highway NE  
Atlanta, GA 30328

### **FREE LECTURE**

Registration/Information: Sara Anderson, 770-458-5619

**Pre-registration requested**

**Judith Bluestone**, author of *The Fabric of Autism: Weaving the Threads into a Cogent Theory*, is the Educational and Clinical Director of the HANDLE<sup>®</sup> Institute International, LLC, based in Seattle, Washington. Her work was honored in 2004 when she won the Jacqueline Kennedy Onassis award for public service for creating and sharing HANDLE (Holistic Approach to NeuroDevelopment and Learning Efficiency.) Judith has more than 40 years of experience developing training programs for educators and neurorehabilitation therapists who work with children and adults with cognitive, motor and behavioral difficulties. Judith is a sought-after speaker at conferences around the world.

*“Your book has changed the way I see and hear other people and my patients. And, oh, do I hear new things! Thank you for that gift, this medically brilliant and humanly profound guide into the soul of the ‘extraordinary’ people.” --Raida Shor, M.D., Holistic Pediatrician*

The HANDLE Institute does not endorse any products.

**If you enjoyed Dr. Doidge’s *The Brain that Heals Itself*, you won’t want to miss this lecture!**
